In re Application of
Jimin Zhang et al.
Application No. 10/671,417
Filed: September 24, 2003
Attorney's Docket No. THERUS.005CP1

ON PETITION

This is a decision on the petition filed June 6, 2005 under 37 CFR 1.137(b), to revive the above-identified application.

The petition is **GRANTED**.

The instant application became abandoned on November 17, 2004, for failure to timely reply to the Notice to File Missing Parts ("Notice"), mailed September 16, 2004, which set a two (2) month shortened statutory period for reply. The Notice required the filing of an oath or declaration and a late filing surcharge as well as an Abstract. While no extension of time in accordance with 37 CFR 1.136(a) was requested, a reply was submitted March 24, 2005 and only included an executed oath or declaration and late filing surcharge. Accordingly a Notice of Incomplete Reply was mailed May 23, 2005. The instant petition and this decision on petition precede the mailing of the Notice of Abandonment.

The oath or declaration and late filing surcharge, as well as the Abstract, as required by the Notice to File Missing Parts mailed September 16, 2004, in addition to the petition fee is acknowledged.

All other requirements having been met , this application is being forwarded to the Office of Initial Patent Examination for further pre-examination processing.

Telephone inquiries concerning this matter may be directed to the undersigned Petitions Attorney at (571) 272-3212.
